UNPACKING

When unpacking, make sure that the item is
intact and undamaged. If any parts are missing or
broken, please call Harbor Freight Tools at
1-800-444-3353 as soon as possible.

IMPORTANT SAFETY
INFORMATION

1. Wear ANSI-approved safety goggles and
heavy-duty work gloves during use.
2. Contains glue; keep away from children.
This product is not a toy. Do not allow chil-
dren to play with or near this item.
3. Use as intended only.
4. Inspect before every use; do not use if parts
are loose or damaged.
5. Maintain product labels and nameplates.
These carry important safety information.
If unreadable or missing, contact Harbor
Freight Tools for a replacement.

INSTRUCTIONS

Read the ENTIRE IMPORTANT
SAFETY INFORMATION section at the
beginning of this document including
all text under subheadings therein
before set up or use of this product.

1. Insert Glue Stick (2) into Glue Gun (1). Plug
in Glue Gun and allow to warm up for ten to
fifteen minutes before use.
2. Using clean cloth (not included), clean dent
area with Release Agent (3). Then apply
heated glue from Glue Gun to end of desired
Pull Tab (4).
3. Place Pull Tab on center of dent and hold
there for ten seconds. WARNING! Do NOT
push Pull Tab against dent.
4. Place Cross Bar (5) over Pull Tab, setting
Adjusters (9) to desired length. Thread
Wing Nut (6) onto end of Pull Tab. Continue
to twist Wing Nut until dent is raised. Stop
when dent returns to normal surface level.
5. Unthread Wing Nut and remove Cross Bar
and Pull Tab from surface. Apply two drops
of Release Agent to spot of dried glue. Use
Scraper to peel off softened glue patch.
6. If a high spot has been created, use a ham-
mer (not included) and lightly tap Dowel (8)
against raised spot until desired smoothness
is reached.
7. Note: The Repair Kit will not repair ALL kinds
of dents, regardless of size. The Repair Kit
will also not work on aluminum panels or
surfaces.

Record Serial Number Here: ________________________________

**Note:** If product has no serial number, record month and year of purchase instead.

**Note:** Some parts are listed and shown for illustration purposes only, and are not available individually as replacement parts.

---

**Please Read the Following Carefully**

The manufacturer and/or distributor has provided the parts list and assembly diagram in this document as a reference tool only. Neither the manufacturer or distributor makes any representation or warranty of any kind to the buyer that he or she is qualified to make any repairs to the product, or that he or she is qualified to replace any parts of the product. In fact, the manufacturer and/or distributor expressly states that all repairs and parts replacements should be undertaken by certified and licensed technicians, and not by the buyer. The buyer assumes all risk and liability arising out of his or her repairs to the original product or replacement parts thereto, or arising out of his or her installation of replacement parts thereto.
