Save This Manual

You will need the manual for the safety warnings and precautions, assembly instructions, operating and maintenance procedures, parts list and diagram. Keep your invoice with this manual. Write the invoice number on the inside of the front cover. Keep the manual and invoice in a safe and dry place for future reference.

Safety Warnings and Precautions

WARNING: When using tool, basic safety precautions should always be followed to reduce the risk of personal injury and damage to equipment.

Read all instructions before using this product!

1. **Keep work area clean.** Cluttered areas invite injuries.
2. **Keep children away.** Children must never be allowed to play with this product.
3. **Store idle equipment.** When not in use, this product must be stored in a dry location. Always lock up and keep out of reach of children.
4. **Use the right product for the job.** Do not attempt to force a small trap to do the work of a larger industrial type. There are certain applications for which this trap was designed. It will do the job better and more safely at the rate for which it was intended. Do not modify this product and do not use this product for a purpose for which it was not intended.
5. **Do not overreach.** Keep proper footing and balance at all times.
6. **Stay alert.** Watch what you are doing, use common sense. Do not operate trap when you are tired.

7. **Check for damaged parts.** Before using trap, any part that appears damaged should be carefully checked to determine that it will operate properly. Any part that is damaged should be properly repaired or replaced.
8. **Do not operate trap if under the influence of alcohol or drugs.** Read warning labels if taking prescription medicine to determine if your judgment or reflexes are impaired while taking drugs. If there is any doubt, do not operate the tool.

Product Specific Safety Precautions

1. After an animal is captured, use care not to allow it to bite you. Wear leather gloves.
2. Dispose of the captured animal in a humane manor, or as dictated by local ordinances.
3. Check trap periodically after it is set. It is possible to catch domesticated animals that should be released.
4. Keep pets away to avoid inadvertent capture.

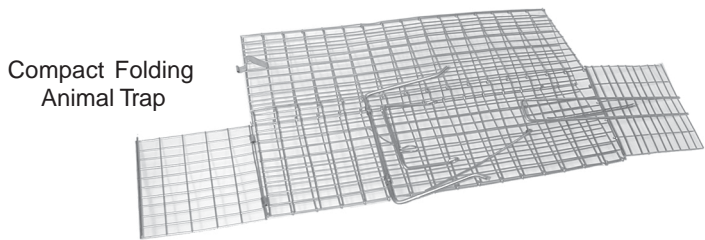

Warning: The warnings, cautions and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

Unpacking

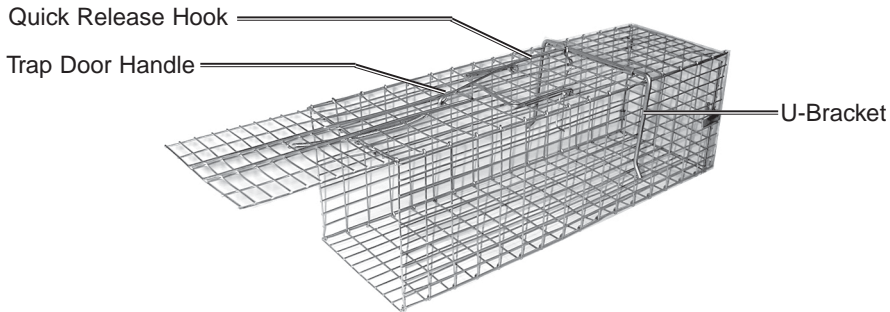

When unpacking, check to make sure that the Compact Folding Animal Trap is complete. If any parts are missing or broken, please call Harbor Freight Tools at the number on the cover of this manual.

Operation

1. Unfold the Animal Trap. Refer to the photos on the next page.
2. Fold down the U-Bracket to hold the Animal Trap square.
3. Place the Animal Trap on a flat surface where animals are to be captured.
4. Hold the Trap Door open and place cheese or other food items to attract animals. Attach the food item to the Quick Release Hook inside the Trap.
5. On top of the Trap, carefully hook the Quick Release Hook to the Trap Door Handle. Make sure it is securely set. Otherwise, the Trap Door will close prematurely.
6. When the animal grabs the food, and wiggles the Quick Release Hook, the Trap Door snaps shut, capturing the animal inside.
