**Net Weight:** 17.7 Lbs.

---

### IMPORTANT SAFETY INSTRUCTIONS!

**READ ALL INSTRUCTIONS BEFORE USING THIS PRODUCT!**

**Safety Warnings and Precautions**

WARNING: When using product, basic safety precautions should always be followed to reduce the risk of personal injury and damage to equipment.

Read all instructions before using this product!

1. **Keep work area clean.** Cluttered areas invite injuries. The surface around Bucket and Wringer Combo will be slippery when wet.
2. **Observe work area conditions.** Keep work area well lighted.
3. **Store idle equipment.** When not in use, the Bucket and Wringer must be stored in a safe and clean location. Always lock up products and keep out of reach of children.
4. **Use the right product for the job.** There are certain applications for which the Bucket and Wringer was designed. Do not modify the Bucket and Wringer and do not use this product for a purpose for which it was not intended.
5. **Check for damaged parts.** Before using any product, any part that appears damaged should be carefully checked to determine that it will operate properly and perform its intended function. Check for any broken or damaged parts and any other conditions that may affect its operation. Replace or repair damaged or worn parts immediately.
6. **Replacement parts and accessories.** When servicing, use only identical replacement parts. Use of any other parts will void the warranty.
7. **Do not operate product if under the influence of alcohol or drugs.** Read warning labels on prescriptions to determine if your judgment or reflexes are impaired while taking drugs. If there is any doubt, do not operate the product.

SKU 94936  For technical questions please call 1-800-444-3353.
8. **Use eye protection.** Always wear ANSI approved impact safety goggles when assembling and using this product.

9. **Dress properly. Do not wear loose clothing or jewelry. Contain long hair.** Keep your hair, clothing, and gloves away from moving parts. Wear non-slip shoes to maintain solid footing when surface is slippery and wet. Loose clothes, jewelry, or long hair can be caught in moving parts.

10. **Only use on a flat surface capable of supporting the Bucket and Wringer, their contents and any cleaning accessories.** It is easy to lose control of the Bucket and Wringer if attempting to pull a load on a sloping or uneven surface.

11. **Do not allow children to play on, stand upon or climb on the Bucket and Wringer.** Keep children out of the work area.

12. **Always check hardware and assembled parts after assembling.** All connections should be tight and hardware tightened.

**Warning:** The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

**Unpacking**

When unpacking your Bucket and Wringer, check to make sure the following parts are included. If any parts are missing or broken, please call HARBOR FREIGHT TOOLS at 1-800-444-3353.

**Assembly**

Your Bucket and Wringer Combo will require minor assembly. It is important that you read the entire manual to become familiar with the product BEFORE you assemble and use the Bucket and Wringer. Before operating the Bucket and Wringer be sure that you have all parts described in the Parts List and Assembly Diagram page 5 of this manual.

1. Slide the Waterproof Cover (15) onto the Rubber Sheath (16) of each Caster (17)-see Figure 1 and Assembly Diagram.

2. Slide each Caster (17) with Waterproof Cover (15) and Rubber Sheath (16) up into the holes on the base of the Plastic Pail (13)-see Figure 1.

![Figure 1](image)
3. Set the lip of the Wringer Head (11) over the rim of the Plastic Pail (13) as shown in Figure 2. Make certain that the Handle Assembly (2) is facing outside the Plastic Pail (13).

![Figure 2](image1.png)

![Figure 3](image2.png)

**Operation**

1. Set the mop (not included) to be wrung out, inside of the Wringer Head (11) as shown in Figure 3. Pull back on the Handle Assembly (2) to push the Pressing Board (10) down onto the mop. Repeat until the mop is sufficiently wrung out.

**Cleaning and Maintenance**

1. When finished, rinse out the Plastic Pail (13) and clean with anti-bacterial soap and warm water. Then dry with a clean cloth. Store in a dry and secure location.
