Failure to do so can result in serious injury.  
**SAVE THIS MANUAL.**

## Specifications

Batteries Required	4x "AA" Batteries (for Car) 2x "AA" Batteries (for Remote)
Frequency	2.4 GHz

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

## Important Safety Information

- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.**
- Follow basic safety precautions to reduce the risk of personal injury and/or damage to the product during use.**
- Do not allow children younger than age 6 to use this Car.** Children should not operate without adult supervision.
- Keep out of reach of children younger than 3.** Contains small parts that may present a choking hazard.
- Keep spectators and pets away.** Spectators should only watch from a safe distance.
- Do not mix old and new batteries.** Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries. Position batteries in proper polarity. Do not use swollen or leaking batteries.
- Do not open the Car's housing or modify its design.** Doing so may cause damage and/or make it dangerous.
- Do not use if parts are loose or damaged.** If the toy has been damaged, immediately stop using it.
- Only use outside or in large, enclosed area.** Do not drive near open flames, pets, or delicate furniture.
- If you lose control of the Car, release the switches.**
- The warnings, precautions, and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.
- Maintain product labels and nameplates. These carry important safety information. If unreadable or missing, contact Harbor Freight Tools for a replacement.

## Assembly

### Unpacking

- Carefully slide the cardboard support containing the Amphibious Car out of the packaging.
- Remove the Remote.
- Remove the Amphibious Car from the cardboard. If any part does not slide out easily, stop and clear the obstruction before proceeding.

# Installing Batteries

## Remote

1. Unscrew and remove the battery cover on the back of the Remote.
2. Insert two AA batteries (not included) into battery compartment, following indicated polarity.
3. Replace the Remote battery cover.

## Car

1. Unscrew and remove the battery cover from the top of the Car. See below.
2. Insert four "AA" batteries (not included) into the battery compartment, following the indicated polarity.

**CAUTION!** Replace all batteries at one time. All batteries must be of the same type and charge level.

3. Place battery cover on top of the Car and slide front tabs into place.
4. Screw cover on securely.

**WARNING!** If cover does not attach securely, do not use this toy.

## Operation

## Pairing Car to Remote

**CAUTION!** Keep spectators a safe distance away during use.

**Note:** Before each use, follow these steps to pair the Car with the Remote:

1. Ensure that both the Car and Remote are turned off.
2. Locate power switch at the back of the Car and turn on.
4. Point the Remote towards the Car and turn Remote on. The red light will flash once, indicating that the pairing was successful.
5. Operate the Remote's control sticks to make sure the Car is working.

**Power Switch**

3. Place Car on a flat surface and stand behind it with the tail pointing towards you.

**Note:** If the Remote's red light flashes continuously and the Car does not move, make sure that batteries are inserted properly. Repeat pairing process.

**Note:** Electronic equipment or other radio control devices may affect the performance of your Amphibious Car. Find an area free of such interference when operating Car.

# Operating Car

---

**Note:** Read through this section completely and get familiar with the controls BEFORE using Amphibious Car.

**Note:** Each Remote control stick corresponds to the wheels on one side of the Car.

1. To move Car forward, push both control sticks up. To move Car backward, push both control sticks down.
2. To steer Car to the right, press the Left stick up. To steer Car to the left, press the Right stick up.
3. To stop the Car, release control sticks.
4. After use, turn power switch off and dry completely. Store indoors, away from water, out of the reach of children.

**Note:** The Car is intended for use on top of still water. Submerging the Car or waves may affect the internal components and damage the car.

## Maintenance

1. Keep the Amphibious Car clean and dry.
2. Store the Amphibious Car out of the reach of children.
3. Properly recycle all used batteries.

**Record Serial Number Here:**

---

**Note:** If product has no serial number, record month and year of purchase instead.

**Note:** Replacement parts are not available.

## Limited 90 Day Warranty

Harbor Freight Tools Co. makes every effort to assure that its products meet high quality and durability standards, and warrants to the original purchaser that this product is free from defects in materials and workmanship for the period of 90 days from the date of purchase. This warranty does not apply to damage due directly or indirectly, to misuse, abuse, negligence or accidents, repairs or alterations outside our facilities, criminal activity, improper installation, normal wear and tear, or to lack of maintenance. We shall in no event be liable for death, injuries to persons or property, or for incidental, contingent, special or consequential damages arising from the use of our product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS.

To take advantage of this warranty, the product or part must be returned to us with transportation charges prepaid. Proof of purchase date and an explanation of the complaint must accompany the merchandise. If our inspection verifies the defect, we will either repair or replace the product at our election or we may elect to refund the purchase price if we cannot readily and quickly provide you with a replacement. We will return repaired products at our expense, but if we determine there is no defect, or that the defect resulted from causes not within the scope of our warranty, then you must bear the cost of returning the product.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
