Read this material before using this product.
Failure to do so can result in serious injury.
SAVE THIS MANUAL.

IMPORTANT SAFETY INFORMATION

Assembly Precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Tighten Nuts used for assembly securely, but do not damage the product.
3. Wear ANSI-approved safety goggles during assembly.
4. Keep assembly area clean and well lit.
5. Keep bystanders, including children, out of the area during assembly.
6. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
7. Do not allow children to play with this product until it is completely assembled.

Use Precautions

1. **Do not allow children to climb, stand, or sit on any part of this item. It can suddenly tip over.**
2. **Supervise children at all times while they are playing with this item.**
3. **Do not allow children to disassemble the Workbench.**
4. Place the Workbench on a solid, level, even surface before allowing it to be played with.
5. Use as intended only. This product is a toy and should not be used for any other purpose.
6. Inspect before every use. Do not allow use if parts are not properly secured or parts are damaged.
7. Maintain product labels and nameplates. These carry important safety information. If unreadable or missing, contact Harbor Freight Tools for a replacement.

Assembly Instructions

Read the **ENTIRE IMPORTANT SAFETY INFORMATION** section at the beginning of this document including all text under subheadings therein before set up or use of this product.

1. Connect the Tray (C) between the two Leg Pairs (B) at an angle using the Nuts (Q) as shown. Note that the finished side of each Leg Pair should be on the outside of the assembly, and the feet should be pointed downward.

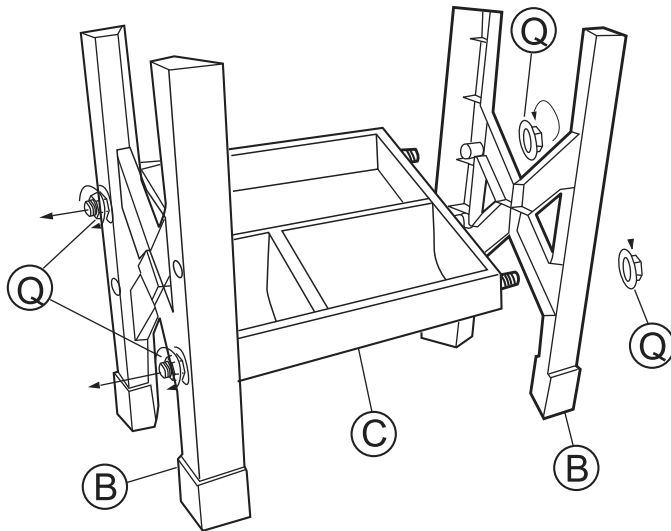

Figure A

2. Place the Tabletop (A) upside-down on the floor. Press the top of the Leg Pair assembly into the rectangular holes in the underside of the Tabletop. After you are sure all four corners align properly, press each of them in until you hear a click on each corner. Confirm that the Leg Pair assembly is securely attached to the Tabletop at all four corners.

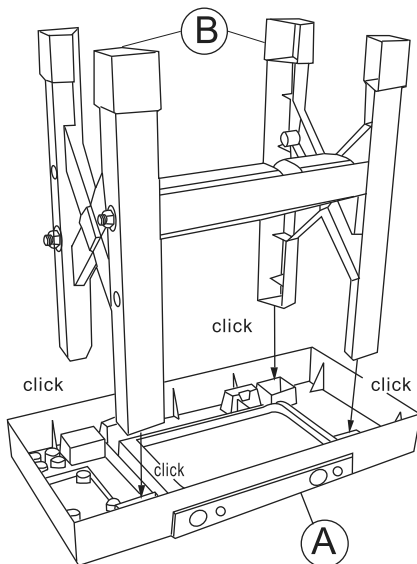

Figure B

3. Turn the Tabletop and Leg assembly upright on a stable surface.

4. Align the Vise (T) with the four holes on the right end of the Tabletop. Secure it in place using 4 Bolts (N).

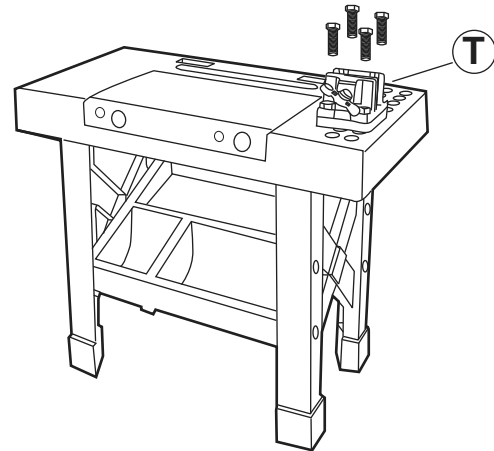

Figure C

5. Insert the Pegboard (D) securely into the holes on the Tabletop until both ends click into place. Make sure that the Pegboard is securely attached on both ends.

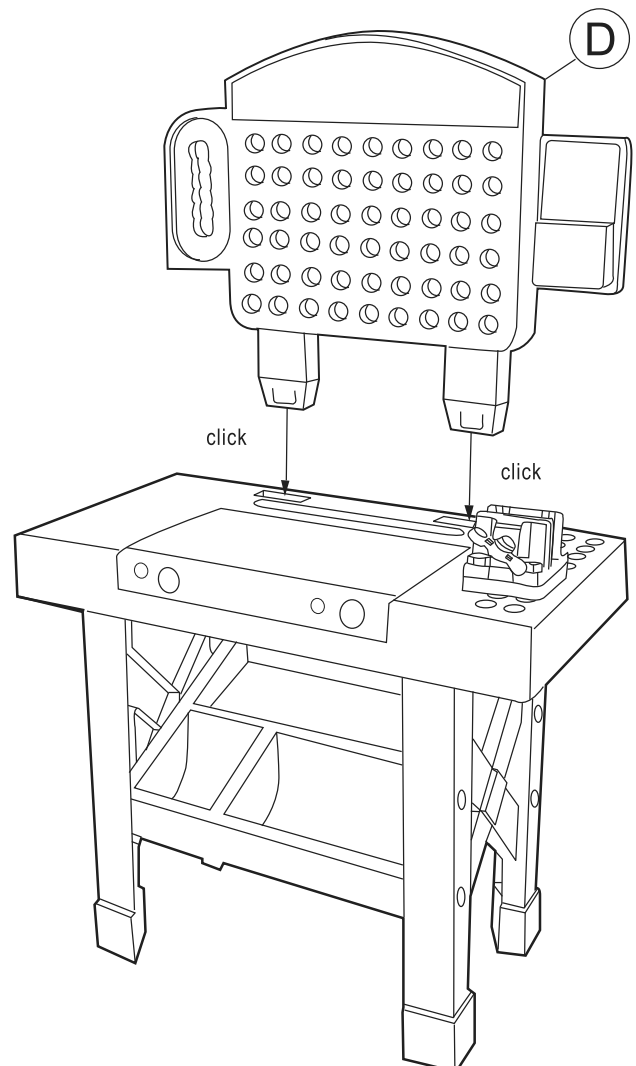

Figure D

6. Insert the threaded end of the Drill (J) through the slot on the left side of the Pegboard. Secure in the back of the Pegboard using a Nut (Q).

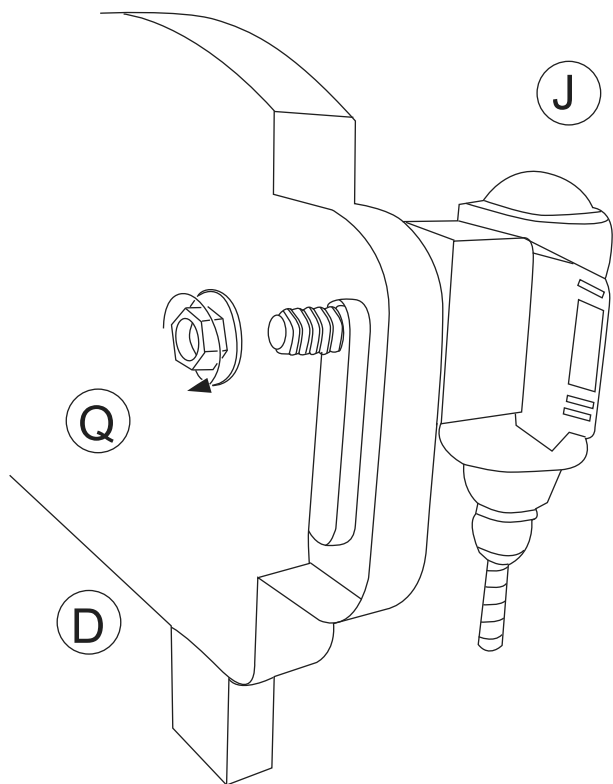

Figure E

7. **CAUTION!** Check that all connections are secure and all hardware is tight. Hardware used for assembly should be as tight as possible without damaging the product or its fasteners.

8. An example setup for this product is shown below.

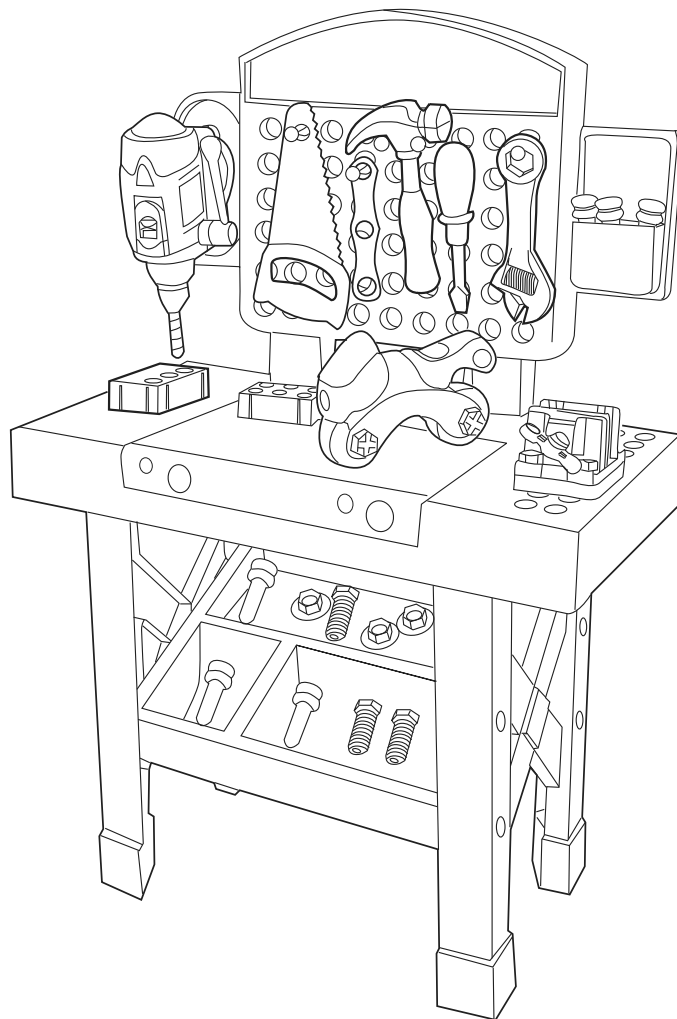

Figure F

Usage Instructions

Read the ENTIRE IMPORTANT SAFETY INFORMATION section at the beginning of this document including all text under subheadings therein before set up or use of this product.

CAUTION! TO PREVENT INJURY AND PRODUCT FAILURE:

Inspect before every use. Do not allow use if parts are not properly secured or parts are damaged.

1. Place the Workbench on a solid, level, even surface before allowing it to be played with.
2. **Do not allow children to climb, stand, or sit on any part of this item. It can suddenly tip over.**
3. **Supervise children at all times while they are playing with this item.**
4. **Do not allow children to disassemble the Workbench.**
5. Use as intended only. This product is a toy and should not be used for any other purpose.

Limited 90 Day Warranty

Harbor Freight Tools Co. makes every effort to assure that its products meet high quality and durability standards, and warrants to the original purchaser that this product is free from defects in materials and workmanship for the period of 90 days from the date of purchase. This warranty does not apply to damage due directly or indirectly, to misuse, abuse, negligence or accidents, repairs or alterations outside our facilities, criminal activity, improper installation, normal wear and tear, or to lack of maintenance. We shall in no event be liable for death, injuries to persons or property, or for incidental, contingent, special or consequential damages arising from the use of our product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS.

To take advantage of this warranty, the product or part must be returned to us with transportation charges prepaid. Proof of purchase date and an explanation of the complaint must accompany the merchandise. If our inspection verifies the defect, we will either repair or replace the product at our election or we may elect to refund the purchase price if we cannot readily and quickly provide you with a replacement. We will return repaired products at our expense, but if we determine there is no defect, or that the defect resulted from causes not within the scope of our warranty, then you must bear the cost of returning the product.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
