IMPORTANT SAFETY INFORMATION

Assembly Precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep assembly area clean and well lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
6. When not in use, the Flag Pole must be stored in a dry location to inhibit corrosion. Always keep out of reach of children.
7. Keep the Flag Pole clean.
8. Check for alignment and binding of moving parts; any broken parts or mounting fixtures; and other condition that may affect proper operation. Any part that is damaged should be properly repaired or replaced.
9. Flag Pole must be installed in accordance with local and neighborhood ordinances. Check with local zoning authorities for guidelines.

Use Precautions

1. This product is not a toy. Do not allow children to play with or near this item.
2. Use as intended only.
3. Inspect before every use; do not use if parts are loose or damaged.
4. Do not exceed listed weight capacity. **Be aware of dynamic loading!** Sudden load movement may briefly create excess load causing product failure.
5. Maintain product labels and nameplates. These carry important safety information. If unreadable or missing, contact Harbor Freight Tools for a replacement.
6. When unpacking, check to make sure that all parts listed are included. If any parts are missing or broken, please call Harbor Freight Tools at the number on the cover of this manual as soon as possible.

Flag Precautions and Rules

1. It is the universal custom to display the flag only from sunrise to sunset on buildings and stationary flagstaffs. However, when a patriotic effect is desired, the flag may be displayed twenty-four hours a day if fully illuminated during the hours of darkness.
2. No part of the flag should ever touch anything beneath it, such as the ground, the floor, or water.
3. The flag should not be displayed on days when the weather is inclement or extremely windy. See installation cautions.
4. The flag should never be displayed with the union down except as a signal of dire distress, in instances of extreme threat to life, property, or national interest.
5. Do not fly a flag that is faded, torn or tattered. When a flag is no longer fit for display it should be disposed of in a manner consistent with State and Local laws and ordinances.

Assembly Instructions

Read the **ENTIRE IMPORTANT SAFETY INFORMATION** section at the beginning of this document including all text under subheadings therein before set up or use of this product.

- WARNING!** Be aware that, if the Flag Pole is not properly installed, under extreme wind conditions and/or severe weather, the Flag Pole could be uprooted, resulting in possible personal injury and/or property damage.
- WARNING! TO PREVENT SERIOUS INJURY:** Carefully inspect the area where you intend to install the Flag Pole. Do not install the Flag Pole near any overhead power or telephone lines. Do not install the Flag Pole in areas where there might be gas, water, or electric lines beneath the surface. If you are not sure, contact your local utility companies.
- Allow at least 6 feet clearance around the pole to clear the edge of the flag in full span.

Installing Bracket

WARNING! Verify that installation surface has no hidden utility lines before drilling or driving screws.

WARNING! Do not install the Bracket directly into drywall.

- Select a suitable location for hanging the Bracket, such as concrete, brick, or wood.

- Measure the distance between the holes on the Bracket and mark mounting locations on the drilling surface.
- Drill holes into the mounting locations no larger than 6mm, then drive wall anchors and screws into holes, leaving 1/4" of threads exposed.

Assembling Flag Pole

- Place Top Pole over one end of Center Pole and turn Center Pole in either direction to secure.
- Insert the open end of Center Pole into the top end of Lower Pole and turn Center Pole in either direction to secure.
- Attach upper grommet of flag (sold separately) to the gold mounting ring at upper end of Top Pole.
- Attach lower grommet of flag to the mounting ring on the Center Pole.

Note: The flag of the country you are in should always fly above all other flags on the pole.

CAUTION! Make sure that each piece is securely fastened to the other before proceeding.

- Insert assembled flag pole into the hanging Bracket.

Limited 90 Day Warranty

Harbor Freight Tools Co. makes every effort to assure that its products meet high quality and durability standards, and warrants to the original purchaser that this product is free from defects in materials and workmanship for the period of 90 days from the date of purchase. This warranty does not apply to damage due directly or indirectly, to misuse, abuse, negligence or accidents, repairs or alterations outside our facilities, criminal activity, improper installation, normal wear and tear, or to lack of maintenance. We shall in no event be liable for death, injuries to persons or property, or for incidental, contingent, special or consequential damages arising from the use of our product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS.

To take advantage of this warranty, the product or part must be returned to us with transportation charges prepaid. Proof of purchase date and an explanation of the complaint must accompany the merchandise. If our inspection verifies the defect, we will either repair or replace the product at our election or we may elect to refund the purchase price if we cannot readily and quickly provide you with a replacement. We will return repaired products at our expense, but if we determine there is no defect, or that the defect resulted from causes not within the scope of our warranty, then you must bear the cost of returning the product.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
