IMPORTANT SAFETY INFORMATION

Assembly Precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep assembly area clean and well lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
6. When not in use, the Flag Pole must be stored in a dry location to inhibit corrosion. Always keep out of reach of children.
7. Keep the Flag Pole clean.
8. Check for alignment and binding of moving parts; any broken parts or mounting fixtures; and other condition that may affect proper operation. Any part that is damaged should be properly repaired or replaced.
9. Flag Pole must be installed in accordance with local and neighborhood ordinances. Check with local zoning authorities for guidelines.

Use Precautions

1. This product is not a toy. Do not allow children to play with or near this item.
2. Use as intended only.
3. Inspect before every use; do not use if parts are loose or damaged.
4. Do not exceed listed weight capacity.
Be aware of dynamic loading!
Sudden load movement may briefly create excess load causing product failure.
5. Maintain product labels and nameplates. These carry important safety information. If unreadable or missing, contact Harbor Freight Tools for a replacement.
6. When unpacking, check to make sure that all parts listed are included. If any parts are missing or broken, please call Harbor Freight Tools at the number on the cover of this manual as soon as possible.

Flag Precautions and Rules

1. It is the universal custom to display the flag only from sunrise to sunset on buildings and stationary flagstaffs. However, when a patriotic effect is desired, the flag may be displayed twenty-four hours a day if fully illuminated during the hours of darkness.
2. No part of the flag should ever touch anything beneath it, such as the ground, the floor, or water.
3. The flag should not be displayed on days when the weather is inclement or extremely windy. See installation cautions.
4. The flag should never be displayed with the union down except as a signal of dire distress, in instances of extreme threat to life, property, or national interest.
5. Do not fly a flag that is faded, torn or tattered. When a flag is no longer fit for display it should be disposed of in a manner consistent with State and Local laws and ordinances.

Assembly Instructions

Read the **ENTIRE IMPORTANT SAFETY INFORMATION** section at the beginning of this document including all text under subheadings therein before set up or use of this product.

1. **Caution: Be aware that, if the Flag Pole is not properly installed, under extreme wind conditions and/or severe weather, the Flag Pole could be uprooted, resulting in possible personal injury and/or property damage.**
2. **Caution: Carefully inspect the area where you intend to install the Flag Pole.** Do not install the Flag Pole near any overhead power or telephone lines. Do not install the Flag Pole in areas where there might be gas, water, or electric lines beneath the surface. If you are not sure, contact your local utility companies.
3. Allow at least 6 feet clearance around the pole to clear the edge of the flag in full span.
4. Dig a hole 12 to 14 inches deep. Make sure there is at least 6 inches of space from the Mounting Tube (1) to all sides of the hole.
5. Set the Mounting Tube (1) in the hole. Level the top edge and brace it (braces not included), so that it stands in the center of the hole.
6. Fill the hole with pre-mix concrete (not included). Follow the instructions on the concrete bag.

7. Check that the Mounting Tube (1) is empty and level. Correct as necessary.
8. After the recommended curing time (as determined by the directions on the concrete bag), remove the braces.
9. Insert the bottom of the Telescopic Pole (3) into the Mounting Tube (1).
10. Extend the top section of the Telescopic Pole (3), turn clockwise to secure and attach flag to the Clips.

Note: The flag of the country you are in, should always fly above all other flags on the pole.

11. Extend the next section, turn clockwise to secure, and attach a second flag if desired.
12. Repeat process until Flag Pole is fully erected.

Limited 90 Day Warranty

Harbor Freight Tools Co. makes every effort to assure that its products meet high quality and durability standards, and warrants to the original purchaser that this product is free from defects in materials and workmanship for the period of 90 days from the date of purchase. This warranty does not apply to damage due directly or indirectly, to misuse, abuse, negligence or accidents, repairs or alterations outside our facilities, criminal activity, improper installation, normal wear and tear, or to lack of maintenance. We shall in no event be liable for death, injuries to persons or property, or for incidental, contingent, special or consequential damages arising from the use of our product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS.

To take advantage of this warranty, the product or part must be returned to us with transportation charges prepaid. Proof of purchase date and an explanation of the complaint must accompany the merchandise. If our inspection verifies the defect, we will either repair or replace the product at our election or we may elect to refund the purchase price if we cannot readily and quickly provide you with a replacement. We will return repaired products at our expense, but if we determine there is no defect, or that the defect resulted from causes not within the scope of our warranty, then you must bear the cost of returning the product.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
