

# Grinder Brush Kit

(7 Pieces)

## Safety Warnings and Instructions

**MAX. RPM = 12,500**

**5/8" x 11 TPI Arbor**

These wheels and brushes, made from crimped carbon steel wire, are to be used with an appropriate angle grinder. They can be used for roughening, deburring, cleaning prior to welding, rust and paint removal, and weld spatter and corrosion removal.

**The set includes the following:**

3" x 2-1/4" Knotted Wire Cup Brush
3" x 2-1/4" Crimped Wire Cup Brush
4" x 3/4" Cable Twist Wire Wheel
4" x 3/4" Stringer Bead Wire Wheel
5/8" to M10-1.25 Adapter
5/8" to M10-1.50 Adapter
4x16 Row Wire Brush with Wood Handle

## IMPORTANT SAFETY WARNINGS

1. Always wear ANSI approved safety goggles, full face shield and respirator when working with these tools.
2. **BEFORE** use, read and adhere to all warnings, safety precautions, and operating instructions in the owner's manual for the appropriate angle grinder these accessories are to be used with.
3. The brush and wheel bristles are very sharp and can easily cause skin cuts and puncture wounds; be extremely careful when unpacking these products and when handling and using the wheels and brushes. Always wear gloves when handling and using these wire brushes.
4. Exposure to aluminum oxide (a dust generated from material removing processes) can result in eye, skin and breathing irritation. Always use a NIOSH (National Institute for Occupational Safety and Health) approved respirator and safety goggles. Avoid skin exposure. Proper ventilation in the work area is required.
5. Never exceed the 12,500 RPM maximum.

**Record Product's Serial Number Here:**

---

**Note:** If product has no serial number, record month and year of purchase instead.

**Note:** Some parts are listed and shown for illustration purposes only, and are not available individually as replacement parts. Specify UPC 792363909761 when ordering parts.
