No portion of this manual or any artwork contained herein may be reproduced in any shape or form without the express written consent of Harbor Freight Tools. Diagrams within this manual may not be drawn proportionally. Due to continuing improvements, actual product may differ slightly from the product described herein. Tools required for assembly and service may not be included.

For technical questions or replacement parts, please call 1-800-444-3353.

Revised Manual 091
You will need the manual for the safety warnings and precautions, assembly instructions, operating and maintenance procedures, parts list and diagram. Keep your invoice with this manual. Write the invoice number on the inside of the front cover. Keep the manual and invoice in a safe and dry place for future reference.

SAFETY WARNINGS AND PRECAUTIONS

1. Keep work area clean. Cluttered areas invite injuries.
2. Observe work area conditions. Keep work area well lit.
3. Supervise children around this product. Do not allow children in the work area.
4. Check for damaged parts. Before using any product, any part that appears damaged should be carefully checked to determine that it will perform its intended function. Check for any broken or damaged parts and any other conditions that may affect its operation. Replace or repair damaged or worn parts immediately.
5. Use safety equipment. Wear ANSI-approved safety impact eye goggles when assembling this product or when using machinery with this product.
6. Always check hardware and assembled parts after assembling. All connections should be tight and hardware tightened.
7. Do not overreach. Keep proper footing and balance at all times when assembling or using this product.
8. Stay Alert. Watch what you are doing at all times. Use common sense.
9. When using this product, remember do not expose power tools to rain or wet conditions. Water entering a power tool will increase the risk of electric shock.
10. When operating a power tool outside, use an outdoor extension cord marked “W-A” or “W”. These extension cords are rated for outdoor use, and reduce the risk of electric shock.

11. **Do not modify this tool to perform a task for which it was not designed.** The correct equipment will do the job better and safer at the rate for which it is designed. Do not use small equipment, tools, or attachments to do the work of larger industrial equipment, tools, or attachments. Do not use this product for a purpose for which it was not intended.

12. **Use goggles or breathing protection** (not included) for mouth and nose during all jobs that cause dust, chips, fumes or sparks.

13. **Protect your hearing** when doing work causing a lot of noise. Use ear plugs (not included) if necessary.

14. **Use HEAVY DUTY work gloves** (not included) when working with tools and equipment

15. **Never allow inexperienced personnel to work** with your equipment and tools without instructions and/or supervision.

16. **Do not stand on top of the Heavy Duty Tool Stand.**

17. **Do not exceed the Tool Stand’s maximum weight capacity. (300 lbs.)**

18. **Do not let children stand on or play with the Heavy Duty Tool Stand.**

19. **Always use the Tool Stand on a flat, level surface that is able to withstand the weight of the Tool Stand and the weight of the objects on the Tool Stand.**

20. **SAVE THESE INSTRUCTIONS.**

**WARNING:** The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

**WARNING:** Some dust created by power sanding, sawing, grinding, drilling, and other construction activities, contains chemicals known to the State of California to cause cancer, birth defects or other reproductive harm. Some examples of these chemicals are:
- Lead from lead-based paints
- Crystalline silica from bricks and cement or other masonry products
- Arsenic and chromium from chemically treated lumber
Your risk from these exposures varies, depending on how often you do this type of work. To reduce your exposure to these chemicals: work in a well ventilated area, and work with approved safety equipment, such as those dust masks that are specially designed to filter out microscopic particles. (California Health & Safety Code § 25249.5, et seq.)
UNPACKING

When unpacking this product check to make sure that all parts are included as shown in the parts list. If any parts are missing or broken, please call Harbor Freight Tools at the number below.

HARDWARE SPECIFICATION

Hardware to mount power tools to the Heavy Duty Tool Stand are not supplied. The recommended minimum size of mounting hardware is listed below. As a guide, actual sizes may depend on tool base thickness.

<table>
<thead>
<tr>
<th>Hardware Type</th>
<th>Tool Description</th>
<th>Drill Presses</th>
</tr>
</thead>
<tbody>
<tr>
<td>Hex Head Bolts</td>
<td>1/4-20 x 1-1/2 (4)</td>
<td>5/16-1/8 x 2-1/2</td>
</tr>
<tr>
<td>Flat Washers</td>
<td>1/4 I.D. 3/4 O.D.</td>
<td>5/16 I.D. 7/8 O.D.</td>
</tr>
<tr>
<td>Hex Nuts</td>
<td>1/4-20</td>
<td>5/16-18</td>
</tr>
</tbody>
</table>

Depending on the tool you are mounting, the drawings on page 5 through 9 show assembly according to the Top Braces for that particular tool. **Note:** The tool description is at the top of each drawing. This will identify the tool to be mounted for that configuration.

UNIVERSAL BENCH POWER TOOLS

Fits the Following 29" Heavy Duty Tool Stand

- 8” Drill Press
- 9” Drill Press
- 10” Drill Press
- 10” Band Saw
- 12” Band Saw
- 4” Belt & 6” Disc Sander
- 4-1/8” Jointer Planer
- 13” Scroll Saw
- 15” Scroll Saw
- 16” Scroll Saw
- 10” Miter Saw

In the event your machine does not fit, simply put plywood or particle board on the surface of the Top Braces (8, 9, 10 & 11).
TOOL STAND ASSEMBLY

STEP 1

1. Install one Rubber Sleeve (1) onto each Leg (2). See Figure 1.

2. Assemble front and rear sections, as shown in Figure 1 below. Insert the Carriage Bolts (4) through the Legs (2), through the Braces and then into the retractable slots. Fasten each piece with a Washer (5) and Hex Nut (6). Tighten the Nut.

3. Assemble the two Top Sides (8) to the Top Front & Rear Braces (9 & 11) See Figure 1 below.

STEP 2

1. Assemble this step according to the configuration of the tool you are mounting. See Figure 1.

2. Once you have everything assembled, be sure to tighten all hardware securely.

CONFIGURATION FOR 13” SCROLL SAW • 16” SCROLL SAW • 12” BAND SAW

Figure 1

1. In some cases the Top Cross Brace (10) will change positions depending on the tool you are mounting. Assemble according to the configuration of the drawing pertaining the tool you are using. See Figure 1.
1. In some cases the Top Cross Brace (10) will change positions depending on the tool you are mounting. Assemble according to the configuration of the drawing pertaining the tool you are using. See Figure 2.

**Figure 2**

**STEP 3**

Figure 3

10” BAND SAW-One Top Side (8) and one Top Cross Brace (10) in holes marked D, P, W & Y (4 holes)

STEP 3

1. In some cases the Top Cross Brace (10) will change positions depending on the tool you are mounting. Assemble according to the configuration of the drawing pertaining the tool you are using. See Figure 3.
3. In some cases the Top Cross Brace (10) will change positions depending on the tool you are mounting. Assemble according to the configuration of the drawing pertaining the tool you are using. See Figure 4.

Figure 4
MAINTENANCE

1. Wipe down Tool Stand after each use with a dry cloth and store in a secure place.

2. If any oil or grease is on the Tool Stand, clean with a cleaning solvent and wipe area dry.
THE MANUFACTURER AND/OR DISTRIBUTOR HAS PROVIDED THE PARTS DIAGRAM IN THIS MANUAL AS A REFERENCE TOOL ONLY. NEITHER THE MANUFACTURER NOR DISTRIBUTOR MAKES ANY REPRESENTATION OR WARRANTY OF ANY KIND TO THE BUYER THAT HE OR SHE IS QUALIFIED TO MAKE ANY REPAIRS TO THE PRODUCT OR THAT HE OR SHE IS QUALIFIED TO REPLACE ANY PARTS OF THE PRODUCT. IN FACT, THE MANUFACTURER AND/OR DISTRIBUTOR EXPRESSLY STATES THAT ALL REPAIRS AND PARTS REPLACEMENTS SHOULD BE UNDERTAKEN BY CERTIFIED AND LICENSED TECHNICIANS AND NOT BY THE BUYER. THE BUYER ASSUMES ALL RISK AND LIABILITY ARISING OUT OF HIS OR HER REPAIRS TO THE ORIGINAL PRODUCT OR REPLACEMENT PARTS THERETO, OR ARISING OUT OF HIS OR HER INSTALLATION OF REPLACEMENT PARTS THERETO.

Please read the following carefully

The manufacturer and/or distributor has provided the parts diagram in this manual as a reference tool only. Neither the manufacturer nor distributor makes any representation or warranty of any kind to the buyer that he or she is qualified to make any repairs to the product or that he or she is qualified to replace any parts of the product. In fact, the manufacturer and/or distributor expressly states that all repairs and parts replacements should be undertaken by certified and licensed technicians and not by the buyer. The buyer assumes all risk and liability arising out of his or her repairs to the original product or replacement parts thereto, or arising out of his or her installation of replacement parts thereto.
LIMITED 90 DAY WARRANTY

Harbor Freight Tools Co. makes every effort to assure that its products meet high quality and durability standards, and warrants to the original purchaser that this product is free from defects in materials and workmanship for the period of 90 days from the date of purchase. This warranty does not apply to damage due directly or indirectly, to misuse, abuse, negligence or accidents, repairs or alterations outside our facilities, criminal activity, improper installation, normal wear and tear, or to lack of maintenance. We shall in no event be liable for death, injuries to persons or property, or for incidental, contingent, special or consequential damages arising from the use of our product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS.

To take advantage of this warranty, the product or part must be returned to us with transportation charges prepaid. Proof of purchase date and an explanation of the complaint must accompany the merchandise. If our inspection verifies the defect, we will either repair or replace the product at our election or we may elect to refund the purchase price if we cannot readily and quickly provide you with a replacement. We will return repaired products at our expense, but if we determine there is no defect, or that the defect resulted from causes not within the scope of our warranty, then you must bear the cost of returning the product.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
