HARDY™

**7 mil Nitrile Powder-Free Gloves, 50 Pc.
Large**

Heavy duty nitrile gloves for industrial use

Nitrile gloves provide better chemical resistance than latex and won't trigger latex allergies. Ideal for automotive, janitorial, painting, maintenance and light agricultural work. The industrial quality nitrile gloves form a superior barrier against grime, grease and solvents and are three times more puncture resistance compared to vinyl or latex gloves. These disposable gloves are also powder free so they won't make a mess.

- Three times more puncture resistant than latex or vinyl.
- Textured fingertips for a better grip
- Exceptional tensile strength
- Powder and latex free
- Reversible to fit either hand
- Comfortable fit and feel
